••• MALE QUESTIONNAIRE •••

INSTRUCTIONS: Please read the following carefully. Answer this questionnaire honestly and to the best of your ability. Your answers provide a database upon which your doctors will depend in providing your care. Seemingly unimportant facts may have great value.

We will review this questionnaire with you. If for any reason you have any problem in answering or any objection to answering any specific portion of this questionnaire, talk to us in private and explain the situation. Make a mark on the section to remind you to discuss it with us. This confidential questionnaire, as part of your case history, will be held in the strictest confidence according to the ethics of the medical profession.
